Last of the Red Hot Lovers!!! It's official... it's a HIT!!!

After our critically acclaimed fall production **Greetings**, the heart warming Christmas themed comedy by Western New York playwright Tom Dudzick, we have followed with our current production, a reprisal of Neil Simon's **Last of the Red Hot Lovers**. Having opened in early February, we've already helped to banish those winter blues, as we slowly move into Spring, with this quick paced & hilarious romantic romp! This classic comedy stars Lee Moffatt as Barney, Darka Makarec as Elaine, Catherine Clarkson as Bobbi & Diane Harris-Wakeling as Jeanette. Last of the Red Hot Lovers runs to April 25th...don't miss out on this smash hit!! "One of the most shimmering pearls on Neil Simons string of hits"...The New York Daily News"

We continue to marvel at the million dollar view of world famous Niagara Falls, afforded us from the windows of our new theatre home, the Niagara parks beautiful venue, Edgewater Dining Room, **Queen Victoria Place**. The restaurant has on-site complimentary parking for both cars & motor coaches, with fully accessible facilities for those patrons needing them. Our new home allows us to accommodate parties of 2 to 200 & everything in between. It's the perfect event to celebrate Birthdays & Anniversaries, your corporate parties or just a fun night out with family or friends! Don't hesitate to call us for special group rates & remember, our Gift Certificates make the perfect gift! They have no expiration date & one size fits all!

Chef Sidney has put his unique culinary touch on a plated three - course menu especially for our productions, which includes a seasonal soup, French baguette & butter, a choice of three delicious entrees & an enticing dessert, plus tea or coffee. Special attention will be paid to accommodate specific dietary restrictions, if our Box Office is advised in advance.

Looking ahead & completing our 2009 season in November & December, we present the Norm Foster hit, **"Self Help"**, directed by Peter Borys. This side - splitting comedy shows us what can happen when a married couple of "has been" actors put their acting skills to the test, & become everyone's favourite "self help" gurus. "Foster's done it again, you'll be rolling in the aisles with this one!"----The Toronto Star

Looking further ahead, we are happy to have **"Maggie's Getting Married"** waiting in the wings to open our 2010 Spring season. This is another of Canada's most produced playwright Norm Foster's laugh a minute comedies, in which he shows us exactly what can run amuck, as an ordinary family prepares for the long awaited nuptials of their daughter Maggie." This laugh-a-minute comedy will leave you breathless in anticipation of the next belly laugh! ----- The Detroit Free Press"
